

Loose “Gender Identity” Definition Leaves No One Out Of The Big Tent - **But You!**

The County Council says: “Gender identity means an individual’s actual or *perceived gender*, including a person’s *gender-related appearance, expression, image, identity, or behavior*,

whether or not those gender-related characteristics differ from the characteristics customarily associated with the person’s assigned sex at birth.”

**Bill 23-07
Language**

While many can’t believe that legislators would enact a bill with a definition this extreme or this vague, a legislative senior adviser confirms a goal of covering “all gender variant persons” including “**transsexual women and men, cross-dressers, drag queens and kings, androgynous persons, gender queer youth and some members of the intersexed community.**”
