

Dear Pastor \_\_\_\_\_,

Christians across Montgomery County are mobilizing to stop the latest attack on moral values, the Gender Identity Bill 23-07. We've already collected several thousand signatures at churches of registered Montgomery County voters on a petition to place this bill on the ballot next fall. Will you join in leading the effort at your church? Will you pray for at least 25,000 voters across Montgomery County to sign the petition in January?

The Human Rights Commission has already gone on record stating that they will interpret Gender Identity Bill 23-07 to allow biological men to use womens' restrooms, locker rooms and showers if their gender identity is a woman. This is an invasion of privacy and security. The County Council has declared gender identity to be normal behavior and a protected class. "Gender Identity Disorder" is classified as a mental disorder by the American Psychiatric Association. People with gender identity disorder need help and need to come to a saving knowledge of our Lord Jesus.

Churches are not exempt from hiring people with gender identity disorder. Contrary to the Federal proposed Employment Non Discrimination Bill, there is no specific exemption for religious organizations. Montgomery County students are already taught that Gender Identity means an individual's actual or perceived gender, including a person's gender-related appearance, expression, image, identity, or behavior, whether or not those gender-related characteristics differ from the characteristics customarily associated with the person's assigned sex at birth. These un-Biblical teachings lead us down the road to the acceptance of homosexual marriage with gender identity being a major threat to traditional marriage. We elected County Council members to uphold a civil society, not perform a social experiment.

Will you please download petition materials from the website [www.notmyshower.net](http://www.notmyshower.net) and organize a petition drive at your church over the next few weeks? We will be happy to help you get started and share the experience at our church. Please send an email message to [churches@notmyshower.net](mailto:churches@notmyshower.net).

There was no room at the inn for our Lord and Savior Jesus Christ. In these days if we don't heed our Lord's command to be salt and light, there may be no room in Montgomery County for Christian values.

Blessings,

Your name
