

## Could this new law be exploited by Voyeurs?

*“...Councilmember Leventhal assures Dr. Jacobs that exploitation of this law by temporarily cross-dressing voyeurs is foreclosed by the law's requirement that persons use facilities that are consistent with the gender identity which is ‘publicly and exclusively expressed.’ But how is this provision to be enforced, given that the proposed law includes no requirement that an individual carry proof that they ‘publicly and exclusively express’ a gender identity contrary to their biological sex?”*
